Winter, Ralph [The Meaning of Mission](#)

The future of the world hinges on what we make of this word "mission." Yet at this moment it is almost universally misunderstood—in both liberal and conservative circles.

Winter, Ralph [The Six Spheres of Mission Overseas](#)

Introduction; Sphere 1 [Standard Missions](#); Sphere 2 [Service Missions](#); Sphere 3 [Relief and Development Missions](#); Sphere 4 [Indigenous Missions](#); Sphere 5 [Short Term Missions](#); Sphere 6 [Congregational Direct Missions](#)

This is a landmark examination of the basic categories of mission work around the world. Probably nowhere else can you get in one place a better understanding of the strengths and weaknesses of each type of work and how they relate to each other. This is a must read for anyone who wants to understand what is happening in mission work today.

Winter, Ralph [Horizon Five: DeWesternization/DeContextualization / DeWesternization Tomorrow; Are we really ready for tomorrow's Kingdom?](#)

As we take the Gospel to new cultures, can we separate our faith from our culture? As Biblical faith penetrates these cultures are we as Evangelical Christians prepared for the strange cultural forms the Gospel may take?

Winter, Ralph [Horizon Seven: Microscopic Spiritual Warfare Massive Blind Spot?](#)

Are you and I culturally blind to certain realms of Satan's deadly activity? Take the realm of tiny microbes. Are Evangelicals duped into considering plagues merely a secular or scientific problem, not a Satanic problem, not a mission problem?

Much of what is most needed in missions will not seem attractive to the donor at first glance. The most strategic works do not lend themselves to easy fundraising.
